

8<sup>th</sup> April 2014

ENABLE Scotland is delighted that The St. Andrew's Society, Los Angeles has chosen to support the charity in it's 60<sup>th</sup> Anniversary year.

ENABLE Scotland, Scotland's largest charity for people with learning disabilities, their families and carers provides much needed and innovative support in every part of Scotland – through early intervention, family based respite, supported living, educational schemes, work experience and support for employers. We help people every step of the way through difficult times of transition.

By supporting ENABLE Scotland at your Garden Party this year, you will make a significant difference to the lives of people with a learning disability – helping to generate vital funds, raise awareness and understanding of key issues surrounding learning disabilities in Scotland.

ENABLE Scotland by way of thanking you in advance for your generous support at your Garden Party, has donated some items for your raffle and live auction and I hope that the recipients like them.

We thank you once again for “adopting” ENABLE Scotland in our special year and I can assure you that any contributions you make, will make a difference, as we strive to give people with learning disabilities the chances and opportunities they deserve to live a better life.

ENABLE Scotland wishes you a fabulous time at your Garden Party!

Kindest regards

Linsey Forrester
